BEFORE JAMES RUSSELL, ESQ. ALLEGED LARCENY. Wong Hop Ming, a fireman, unemployed, was harged by In Ayin, a married woman, with stealing from her child a pair of silver are rings, a pair of silver anklets, and a pair of carrings. After much evidence the case was

THE RIOT AT NINGPO.

The N. C. Daily News gives the following further account of the recent riot at Ningpo. which substantiates what has been previously published on the subject, while giving some About 6 p.m., a Chinese ran to the Police Station, stating that there was a great row on the bridge, and that Antoine (the foreign tol collector) would be killed if assistance did not come. Mr. Golding (the Superintendent of Police) accordingly went down with a Chinese under consideration, and Sir Thomas Wade had Constable and an Interpreter, and found a great been requested to prepare a memorandum apon crowd on the bridge and on the neighbouring the whole subject, giving in full his reasons for ground. Having made his way to the collector's box, he saw a man lying covered with blood, on significant, and is satisfactory as showing that the counter. He wanted to take him away on the Government is determined to not with a stretcher, to the dontor ; but the crowd would caution and will not be induced to give up any not allow it, and cried out to "kill the foreign They amught hold of the Interpreter, but a few respectable Chinese got near and called out that they (the Police) had nothing to de with the bridge; and at the same time told Golding to get away as fast as he could. There was another cry of "kill, kill," and Golding was again told to go away, and deemed it wise Liddell, was to leave Devenport about the 5th to obey. He soon after met Colonel Cooke walking, with the matoo leading his pony, and Charybdis, Hart, Modeste, Nassau, and Sylvia, and reported the circumstance. Colonel Cooke which latter vessels are to be paid off and re- told him to return with him to the spot. They made their way to the collector's box, the crowd additional appointments to these vessels are opening before them, and Colonel Cooke again gazetted :- Chaplain and Naval Instructor : Rev. tried to take the wounded man away to the We acknowledge, with thunks, the receipt of F. C. Stebbing, to the Charybais. Lieutenants: doctor. A stretcher was called for and the man placed on it; but just as four coolies were about to lift him, snother cry of "kill the fo reigners" arose. Cooke beld up his hands an the people were quiet. He asked those near;

What did the people want? He wanted to tr to save the man's life. Some of them orie "Let him stay till his friends come." Cook replied "all right:" but the crowd again bega to sway and press, getting up the usual Suddenly, a rumble was heard as of a body o they come, the soldiers are coming." Cooke at once told Golding and the Interpreter to go, as quick as they could, the people opened, and tresh crowd came down at a run. Cooke was swept back twenty yards, and then were re newed loud shouts of "kill, kill," A lot of soldiers and others surrounded him saying We have you now," and one soldier caught him by his coat at the throat, and another be From 1843 to 1850 a clean Mexican dollar hind, while a boatman seized his left arm.

Compelled by want of space to give a mere Press Office, where it is published, or to the sketch of the Report, we cannot here pause to indicate at length the way in which these

societies exercise pressure upon immigrants Suffice it to say that no Chinese resi-FORMOSA Messrs. Wilson, Nicholls & Co. dent in the Straits is free to act on any question without the consent, if not support, of a hoer, and it will easily be seen where the control of immigration has hitherto been vested. Upon the next point noticed by the Committee-the proportion of female to male immigrants we feel bound to enter a word of protest. "With the little knowledge we at present possess concerning them," says the Report, "it would be futile to attempt any remedial measures under this head." It seems to us that with the experience of the late British West Indian Emigration Agency at Canton easily accessible, this is shelving the matter in a rather off-hand way. Quite possibly the Committee never knew that such an agency existed: but its members should at least have

NEW YORK Mesers. S. M. Pettingill & Co. been told where ample information on this and other cognate subjects was obtainable. on the China station from 1871 until 1875. It is especially noteworthy that, as regards immigrants to the Dutch Settlements in S. W.A.T.S.O.N.A. n.D. O O. Sumatra, the report speaks in favourable bearing upon Russia the Russian Steam Navi. terms. It is satisfactory to note this, inasmuch as Mr. Groneveldr's attempt to procure emi- Odessa. By Appointment to His Excellency the Go- grants from Hongkong was rather strongly discouraged by Sir ARTHUR KENNEDY. The two really vital conclusions come to by the Committee are that the malpractices connected with emigration from Singapore with respect to our Opium policy in China and Penang to neighbouring settlements be

put down with a strong hand; and that the Chinese immigrant to Singapore be brought to look more to Government and less to societies for protection. Upon this latter follow the verdict but we trust in this case the building firm, charged Tang Afat and point the language used is not, to our thickjug, strong enough. CUBAN SLAVERY. HAVANA, February 24th. La Voce de Cuba, referring to President Grant's Message and his statement that Cuba is the only land in which slavery now exists, save: While slavery on a larger, scale exists in Brazi the Spanish law of gradual abolition will result in ending slavery in Cubs earlier than in Brazil f foreign Governments insist that slavery wil e abolished in Brazil while vet it exists in Cubo then let the Spanish law be exchanged for the Brazilian one, thus doing away with the faultthem to blame Brazil when blaming Cuba. Whether under the Spanish or Brazilian law, we shall have to pass through a transformation of the gravest importance. Nobody ignores this, yet nobody takes provisionary steps. . We

THE LATE CUBAN VICE-PRESIDENT. NEW YORK, February 25th. his resignation to the Postmaster General at The remains of Francisco Agueltera, the dead. Washington, and then went into voluntary Vice-President of the Cuban Republic, lay in bankruptcy. It is believed that his bondsmen state all day, to-day, in the Governor's room in are also bankrupt. Special Agent Stuart will the City Hall. The flage on the building were take charge of the office until MoArthur's suc- at half-must, and the pillars leading to the room were drapped in mourning. Thousands of people viewed the remains, among them prominent Cubans of the city. Guards of honor, composed of Cubans, relieved cach other every hour. The body is to be taken to St. Francis Xavier Church in the morning, and the Mayor and Common Council will attend the funeral, as will also numerous Cuban societies. CORTINA COMING TO GRIEF.

MATAMORAS, February 25th. General Servando Canales, Governor of this State, has entered the city with about 1,000 men. It now turns out that General Cortina was arrested yesterday by General Blanco by

EX "STATE OF LOUISIANA."

and a stont twist wrenched forth the offendingtask." Dr. Kohn, adds our contemporary, was induced to draw the tooth, not only to relieve the animal's pain, but also to prevent the possibility of the creatures's swallowing it, and thus, perhaps, committing involuntary suicide, a death which animals in a wild state, it is said, not unfrequently meet with. "They almost always," says our informant, "swallow their milk teeth, and in members of the cat tribe the teeth are quite large and sharp when they are shed, and it may easily be imagined that the keen points may produce serious wounds in the internal organs. This is a cause of mortality which we have not seen considered in natural bistories, and which might exercise a notent effect in reducing the number of wild animals."

IMPERIAL QUARTO. ENGLISH AND CHINESE DICTIONARY PUNTI AND MANDARIN PRONUNCIATION Anglo Chinese Dictionary, published

at the Daily Press Office, Hongkong. 10R comprehensiveness and practical service this Work stands unrivalled. All the new words which the Chinese have of late years been

compelled to coin to express the numerous objecte in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given in extenso. Each and every word is fully illustrated and explained, forming exercises for students of a most instructive nature. given, the accents being carefully marked on THIRD PER CENT. (331 %), will be allowed Both the Court and Punti pronunciations are the best principle hitherto attained. The type- on risks to ports in Chins, Japan, the Philipin the size of body, thereby effecting a vast CENT. (15 %) only. economy of space, achieving a clearness not proviously attained, and dispensing with those vast margins and vacent spaces which have heretofore characterized Chinese publications. For practical purposes the arrangement of the work is so complete, that a reference stands English to communicate effectively with natives who understand nothing but Chinese. In this respect the work will be found edispensable to all Europeans residing in China, and to the natives themselves it oxplains subjects fully with which very few indeed of them are perfectly acquainted. To parties resident in England and interested in China it cannot but be invaluable occasionally. To illustrate the vast scope of the work, the following facts are submitted for consideration. Chalmers Vocabulary contains about 18,000 Chinese characters, and Medburst's English and Chinese Dictionary about 100,000, whilst this work contains more than 50,000 English and and annuards of 800,000 Chinese charact FENHR and Arcioned having been appointed ters. Agait, despite all the grammars and I. Agenta for the above Corporation, other elementary works as yet published, the atudent of this difficult language absolutely re-

this work contains more than five times as many as any other Dictionary hitherto pub-It comprises upwards of two thousand large | current rates. LONDON. PRUBNER & Oc., 60, PATERNOSTER BOW; on reasonable terms. HONGKONG. "DAILY PRESS" OPPIOR, WYNDHAM ST.

SOLDIARS' AND SAILORS' LETTERS Privates in H.M. Army or Navy, Non-commissioned Officers (but not Warrant Officers, viz., Assistant Engineer, Gunner, Boatswain, or Carpenter), Army Schoolmasters (not superintending or First Class) or Schoolmietresses may send half-onnes letters to the United Kingdom via Marseilles by French Packet, or via Southampton by British Packet. for one penny; or via Brindisi by British Packet for three pence. Hongkong stamps will prepay this class of correspondence exactly the same as Imperial Stamps. Soldiers' and Sailors' letters are, however, charged as ordinary letters if they do not con-

form to the following regulations:-1.- Not to exceed half an ounce. No double etters are allowed. 2.—If from a Soldier or Sailor, his class or description must be stated in full on the letter, and the commanding Officer must sign his name, with name of Regiment, or Ship, &c., in 3.—If to a Soldier or Sailor, his class or de-

scription must be stated in full, with name of Regiment, or Ship, &c., in full. Most countries to which Hongkong forwards Correspondence having joined the General Postal Union or being probably about to do so. JEDDAH, British steamer, Clark. Gee Choong it is necessary that the following rules be strictly observed.

1. No Letter or Packet, whether to be registeredorunregistered, oan be received for Postage if it contains gold or silver money, jewels, precious articles, or anything that as a general 2.
